"Home of Satisfaction"

Satisfaction Guaranteed On Used Cars.

The Paige Co. of Memphis, Inc., will guarantee every used car we sell. We will assume responsibility for defective parts and give purchaser every assurance of satisfaction. This is something new in the automobile industry—a most radical change from the policy employed by all dealers in used cars.

Heretofore the purchaser has assumed all risk. He has had to depend on his own judgment or "luck." He could never be sure he would not have a big repair bill tacked on to the original purchase price. We are going to change this. We are going too insure you—to guarantee you will be satisfied. We believe this is only fair—that the man who spends his money for a used car is entitled to the same attention and consideration that is given to the purchaser of a new car.

These cars have been remainted and and consideration that is given to the purchaser of a new car.
These cars have been repainted and equipped with new tires.
Come down and pick out your car. We'll tell you everything we know about it.

Patriotic Service

Here is an opportunity for young women to serve their country in a patrictic occupation without moving to another city.

Telephone operating is essential work and is permanent. Salary is paid during training and is increased when the training course is completed. The surroundings are comfortable and attractive. Substantial meals are served at actual cost, vacations are given with full pay and operators are cared for during illness by the Employees Benefit Fund. Increases in salary are made at frequent intervals and women supervisors, matrons and trained nurses are in charge of the operating rooms and quarters. Girls between 16 and 24 years of age who wish permanent employment at good salary in an established business under government operation and surrounded by all the safeguards of home should investigate the Cumberland. Telephone service before accepting offers for temporary work.
